## Women in Leadership Scholarship Information

### Overview

The Women in Leadership Working Group is a forum for women leaders within CAA's member ambulance services across Australia, New Zealand, and Papua New Guinea. The working group seeks to address the challenges and adversities for women in the pre-hospital sector by; encouraging leadership development and mentoring, creating networking opportunities, and facilitating research and data collection to ensure a progressive and multi-faceted workforce.

CAA is now offering the Women in Leadership scholarship to encourage more women to step into leadership roles and to support the further development of current women leaders in the Ambulance Services Sector. This Scholarship was kindly donated by Julie Piantadosi from Total Coaching Academy.

Julie is one of Australia's most sought-after coaches, she is a specialist in empowering the mindset, leadership, and rapid acceleration. This program helps make the shift from ordinary to extraordinary through simple and effective tools so you can move forward and excel both personally and professionally in all areas of your life. Julie has trained companies such as Qantas, BMW, Porsche, and ambulance Australia.
